

75% Milestone

MSME Pathways: A Smart Loan Support for Underserved
Starting Entrepreneurs in the Informal Sector

Nextfund Labs • College of Information and Technology Education
PHINMA University of Pangasinan • Academic Year 2026

WEEK 8

A meaningful checkpoint.

Progress is above the 50% threshold, with reviewable outputs across research, documentation, and the system foundation.

75%

CURRENT PROJECT PROGRESS

Threshold achieved

The milestone check requires at least 50% completion. The team is currently at approximately 75%.

Completed this cycle

Chapter 3 draft, UREC documents, forms, appendices, SUS review, AI Assistant documentation, and system updates.

Work is reviewable

Core deliverables are underway and ready for checking, including documents, forms, and system updates.

Next phase focus

Participant data collection, final testing, documentation revisions, and defense preparation remain.

One week of focused progress.

75%

August 22–29

	AUG 22	Chapter 3 draft, contents format, table selection, and document review.		AUG 26	SUS content and questionnaire proofreading.
	AUG 23	Request-for-participation documents completed for MSME and lending personnel.		AUG 27	AI Assistant documentation for web/mobile chatbot and loan modules.
	AUG 24	Research documents aligned with UREC requirements.		AUG 28	MongoDB configuration and environment settings updated.
	AUG 25	Google Form, feature documentation, and appendix proofreading.		AUG 29	Outputs consolidated and remaining tasks reviewed.

Note: Chapter 3 outputs are draft-only and use mock data or placeholders until participant data is collected.

The outputs behind the 75%.

Three streams of evidence that are ready to review.

01

Help & Support

Find quick guidance for reviewing applications, verifying documents, recording repayments, and using the Loan Officer Portal.

Start with a workflow

Jump directly to the area where you need assistance.

Application Review

Review and manage borrower applications.

Documents & KYC

Verify requirements and follow up on documents.

Payments & Repayments

Record payments and review repayment history.

Account & Access

Manage your profile, security, and preferences.

Frequently asked questions

Practical answers for common loan-officer tasks.

How do I review a loan application?

Open the Application Queue and select the borrower you want to review. Check the application details, documents, and risk information before recording your decision.

What should I do when a document needs attention?

How do I record a repayment?
